Residential Address:- 5, Ashoka Colony Gumanpura, Kota, Rajasthan

Objective

Driven BCA graduate with a passion for leveraging data analytics tools to drive insights and solutions. Seeking opportunities to contribute to dynamic teams and make meaningful impacts through continuous learning and growth.

About Me

I am a recent graduate with a BCA degree, possessing a solid foundation in computer science and practical application. Proficient in various data analytics tools including Power BI, Tableau, SQL, Excel, statistics, and Python, I am committed to continuous learning and growth, always seeking new challenges to expand my skills and make meaningful contributions to teams and organizations.
